The students do not need to keep things in their desk. If you send in supplies they will be used for our family community. If it is better for you to keep these supplies at home that is fine as well. The students will be asked to do several projects throughout the year and these supplies would come in handy at home. Please do not send your child with a trapper keeper. Each child will be given a planner to help organize their work. We love donations, if you would like to send in more things with your child we can use them for our classroom. If you have any questions, please let us know. Thank you for your support.

**Thank you,
The Fourth Grade Teachers**
